

CPE Mangalore 2009

Association of Community Pharmacists of India continuing pharmacists education program was concluded at KMC Mangalore on 7th June 2009. The CPE consisted of 13 lectures on latest developments in the community pharmacy, drug store management, and pharmaceutical care. The presentations of all lectures are made available for reference at Association website www.acpi.in . Speaking at Valedictory Maj. Gen (Dr) G Rajgopal, Dean, Katurba Medical College ,Mangalore appreciated the efforts of acpi for being initiated the continuing pharmacists education program for the benefit of practicing pharmacists. He felt that pharmacists to take the responsibilities and shoulder to help doctors and nurses , who are overburdened due to large number of patients in all hospitals clinical setups. The President of ACPI, Prof Anantha Nagappa briefed about the activities of the acpi and its future plans and programs.
